Teaching Term Appointment Position in the Environmental Policy Institute & Environment and Sustainability Program

The Grenfell Campus of Memorial University of Newfoundland, is situated in traditional Mi'kmaw territory in Corner Brook, NL. As a Campus, we respectfully acknowledge the diverse histories and cultures of the Beothuk, Mi'kmaq, Innu, and Inuit of the province of Newfoundland and Labrador.

The School of Science and the Environment at the Grenfell Campus seeks applications for an **8.5-month** teaching term appointment for the delivery of graduate courses in the Master of Arts in Environmental Policy (MAEP; https://grenfell.mun.ca/academics-and-research/Pages/school-of-science-and-the-environment/Graduate-Programs/Environmental-Policy.aspx) and undergraduate courses in the Bachelor of Environment and Sustainability (ENSU; https://grenfell.mun.ca/academics-and-research/Pages/school-of-science-and-the-environment/Undergraduate%20Programs/Environment%20and%20Sustainability.aspx) program. This position has a start date of **August 16th , 2021** and is open to candidates with a background in Environmental Policy or Natural Resource Management. In particular, the candidate will be expected to teach five courses in environmental policy, quantitative research methods, systems thinking, and natural resources. The successful candidate should possess a Ph.D. in Political Science, Geography, Natural Resource Management or a related field. Applicants near completion of their Ph.D. will also be considered.

The Grenfell Campus is located in an area of great natural beauty in close proximity to Gros Morne National Park, a UNESCO World Heritage Site. The campus has a population of more than 1,400 undergraduate and 100 graduate students and emphasizes innovative approaches to teaching and learning, research and engagement. The Grenfell Campus offers a collegial, interdisciplinary academic environment with small class sizes and opportunities for experiential teaching. Impactful teaching, research and strong community relationships are hallmarks of Grenfell's profile.

The **deadline for receipt of the applications is 5pm NST on May22nd , 2021**. Applications should include (a) a cover letter, (b) curriculum vitae, (c) a teaching dossier, and (d) the names and complete contact information of three referees. Candidates must compile their application documents into one file and submit electronically to:

Dr. Michele Piercey-Normore, Dean, School of Science and the Environment, Grenfell Campus, Memorial University, Corner Brook, Newfoundland and Labrador, Canada A2H 5G4 or email: ssedean@grenfell.mun.ca

All appointments at Memorial University are subject to budgetary approval. Salary will reflect qualifications and experience in accordance with the Collective Agreement between Memorial University of Newfoundland and Memorial University of Newfoundland Faculty Association.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of

any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities and racialized people; and people with disabilities. As part of Memorial University's commitment to employment equity, all applicants are invited to identify themselves as a member of a target group(s) as appropriate. Applicants cannot be considered as a member of a target group(s) unless they complete an employment equity survey. If you do not receive a survey or have any questions, please contact equity@mun.ca

Memorial University is committed to providing an inclusive learning and work environment. If there is anything we can do to ensure your full participation during the application process please contact equity@mun.ca directly and we will work with you to make appropriate arrangements.
