All other Directors are not eligible for re-election until a period of eleven (11) months has elapsed from the date of the retirement of such Director.

6.4 Elections

Candidates for the office of Director shall include:

- 6.5.1 the slate of candidates for office proposed by the Nominating Committee, or if there is no Nominating Committee, by the Executive Committee; and

6.7 Forms

The Board may prescribe the form of nomination paper and the form of a ballot.

The Secretary-Treasurer shall conduct the election electronically prior to the annual business meeting.

7. MEETING OF DIRECTORS

7.1 Calling Meetings

Meetings of the Board and of the Executive Committee (if any) may be held at any place within or outside the geographic location of the head office, as designated in the notice calling the meeting. Meetings of the Board may be called by the President, the Vice-President or the Secretary or any two (2) Directors.

Subject to the provisions of section 7.3, notice of Board meetings shall be given to each Director by one of the following methods:

7.2.1 By telephone, facsimile, email or other electronic method not less than five (5) days before the meeting is to take place; or

7.2.2 By prepaid letter post not less than ten (10) days before the meeting is to take place, the giving of which shall be in accordance with Section 20.1.

The statutory declaration of the Secretary or President that notice has been given pursuant to this by-law shall be sufficient and conclusive evidence of the giving of such notice. No formal notice of a meeting is necessary if all the Directors are present or if those absent have signified their consent to the meeting being held without notice and in their absence.

7.3 Regular Meetings

The Board may appoint one or more days in each year for regular meetings of the Board at a place and time named; no further notice of the regular meetings need be given. The Board shall hold a meeting within seven (7) days following the annual meeting of the Corporation for the purpose of organization, the election and appointment of officers and the transaction of any other business.

7.4 Meetings by Electronic Conference

If all persons who are members of the Board or a Committee (as the case requires) consent thereto generally or in respect of a particular meeting and each has adequate access, such persons may participate in a meeting of the Board or Committee by means of such conference telephone or other communications facilities as permit all persons participating in the meeting to hear each other, and a person participating in such a meeting by such means is deemed to be present at the meeting.

Provided that at the outset of each such meeting, and whenever votes are required, the Chair of the meeting shall call roll to establish quorum, and shall, whenever not satisfied that the proceedings of the meeting may proceed with adequate security and confidentiality, unless a majority of the persons present at such meeting otherwise require, adjourn the meeting to a predetermined date, time and place.

7.5 Voting

Questions arising at any meeting of the Board shall be decided by a majority vote. In the case of an equality of votes, the question shall be deemed to have been lost. At all meetings of the Board, every question shall be decided by a show of hands unless a poll on the question is required by the Chair or
requested by any Director. A declaration by the Chair that a resolution has been carried and an entry to that effect in the minutes is conclusive evidence of the fact without proof of the number or proportion of votes recorded in favour of or against the resolution.

8. **MEETINGS OF THE MEMBERS**

8.1 **Annual Meeting**

The annual meeting of the members shall be held each year within or outside the geographical location of the head office, at a time, place and date determined by the Board, for the purpose of:

8.1.1 hearing and receiving the reports and statements required by the Act to be read at and laid before the Corporation at an annual meeting;

8.1.2 appointing the auditor and fixing or authorizing the Board to fix the remuneration therefor; and

8.1.3 the transaction of any other business properly brought before the meeting.

8.2 **Meetings by Electronic Conference**

At the discretion of the Board of Directors, Ordinary Members may participate in a meeting of members by means of such conference telephone or other communications facilities as permit all persons participating in the meeting to hear each other, and a person participating in such a meeting by such means is deemed to be present at the meeting.

Provided that at the outset of each such meeting, and whenever votes are required, the Chair of the meeting shall call roll to establish quorum, and shall, whenever not satisfied that the proceedings of the meeting may proceed with adequate security and confidentiality, unless a majority of the persons present at such meeting otherwise require, adjourn the meeting to a predetermined date, time and place.

8.3 **Special General Meeting**

The Board may at any time call a special general meeting of members for the transaction of any business, the general nature of which is specified in the notice calling the meeting. A special general meeting of members may also be called by the Directors or the President upon the written requisition of the minimum of sixty-six percent (66%) of the members entitled to vote.

8.4 **Notice of Meetings**

Notice of the time, place and date of meetings of members and the general nature of the business to be transacted shall be given at least sixty (60) days before the date of the meeting to each member (and in the case of an annual meeting to the auditor of the Corporation) by sending the notice by any one of the methods set out in Section 20.1.

8.5 **Quorum**

A quorum for the transaction of business at meetings of the members shall be twenty-five (25) of all of the members of the Corporation entitled to vote, and present in person or represented by proxy (with at least two persons present in person), and no business shall be transacted at any meeting unless the requisite quorum is present at the commencement of such business;

8.5.1 Provided however that where:

8.5.1.1 Less than twenty-five (25), but two (2) or more persons are present in person after one-half hour after the commencement time specified in the notice calling the meeting of members; and

8.5.1.2 the business transacted is limited to the selection of a Chair and a Secretary for the meeting, the recording of the names of those present, and the passing of a motion to adjourn the meeting with or without specifying a date, time and place for the resumption of the meeting,

then two (2) persons present in person constitute a quorum.
8.5.2 Provided further that at the meeting at the date, time and place specified in the motion to adjourn referred to in subsection 8.5.1.2, the numbers of persons present required for quorum shall be divided by two.

8.6 Voting by Members

Unless otherwise required by the provisions of the Act or the by-laws of the Corporation, all questions proposed for consideration at a meeting of members shall be determined by a majority of the votes cast by members entitled to vote. In the case of an equality of votes, the question shall be deemed to have been lost.

8.7 Proxies

Every member, including a corporate member, entitled to vote at meetings of members may by means of a proxy appoint a person who need not be a member, as nominee for the member, to attend and act at the meeting in the manner, to the extent and with the power conferred by the proxy. A proxy shall be in writing, shall be executed by the member entitled to vote or the attorney of the member authorized in writing, or, if the member is a body corporate, under its corporate seal or by an officer or attorney thereof duly authorized, and ceases to be valid one year from its date. Subject to the requirements of the Act, a proxy may be in such form as the Board from time to time prescribes or in such other form as the Chair of the meeting may accept as sufficient, and shall be deposited with the Secretary of the meeting before any vote is called under its authority, or at such earlier time and in such manner as the Board may prescribe.

8.8 Show of Hands

At all meetings of members, every question shall be decided by a show of hands unless otherwise required by a by-law of the Corporation or unless a poll is required by the Chair or requested by any member entitled to vote. Upon a show of hands, every member entitled to vote, or proxyholder for a member entitled to vote, present in person shall have one vote. Whenever a vote by show of hands has been taken upon a question, unless a poll is requested, a declaration by the Chair that a resolution has been carried or lost by a particular majority and an entry to that effect in the minutes of the Corporation is conclusive evidence of the fact without proof of the number or proportion of votes recorded in favour of or against the motion.

8.9 Chair

In the absence of the President or the Vice-President, the members entitled to vote present at any meeting of members shall choose another Director as chair and if no Director is present or if all the Directors present decline to act as chair, the members present shall choose one of their number to be chair.

8.10 Polls

If at any meeting a poll is requested on the election of a Chair or on the question of adjournment, it must be taken forthwith without adjournment. If a poll is requested on any other question, it shall be taken in the manner and either at once or later at the meeting or after adjournment as the Chair directs. The result of a poll shall be deemed to be the resolution of the meeting at which the poll was requested. A request for a poll may be withdrawn at any time prior to the taking of the poll.

8.11 Adjournments

Any meeting of members may be adjourned to any time and from time to time, and any business may be transacted at any adjourned meeting that might have been transacted at the original meeting from which the adjournment took place. No notice is required of any adjourned meeting.
